PERSONAL STATEMENT

I'm a software engineer with a strong background in both frontend and backend development. I've spent the last six years collaborating with a variety of teams to develop software for both web and mobile platforms. I've spent a lot of time managing projects, leading teams, and designing and implementing user interfaces and APIs. I am a firm believer in the application of technology to solve business problems.

EDUCATION

KENYATTA UNIVERSITY

September 2011 - April 2015
Bachelor of Science in Computer Science
Second Class Upper

MATINYANI BOYS HIGH SCHOOL

January 2007- November 2010
Kenya Certificate of Secondary Education (KCSE)
Mean Grade A
